

## GREAT FUTURES START **HERE.**

**BOYS & GIRLS CLUBS**  
OF THE HIGH ROCKIES

The Boys & Girls Clubs of the High Rockies would like to thank Ms. Lisa Brent for all her hard work as Unit Director at the Platte Canyon Club and offer our best wishes in all that's ahead for her! Lisa's last day at the Club will be Friday, February 9. We invite you to stop by the Platte Canyon Club at Deer Creek Elementary this week during the after-school program to send her off in style.

Please help us in welcoming Ms. Adelene "Addy" Ho as Platte Canyon's Interim Unit Director. Addy's first day will be Monday, February 12. Addy comes to us with several years of experience working with youth in camp settings and a master's degree and experience in Community Counseling. She is excited and looking forward to serving as Interim Unit Director and working with youth and families in the Bailey area.

Please know that we are working hard to ensure a smooth transition for Club families and staff. We encourage you to email [admin@bgchr.co](mailto:admin@bgchr.co) with any questions or concerns you may have during the transition, and we will respond promptly. We are actively seeking a permanent Unit Director for the Platte Canyon Club site, and we welcome applications at <http://indeedhi.re/2BZKdZ4>.
