## OUR MISSION

The mission of the Boys & Girls Clubs of the High Rockies (BGCHR) is to enable all young people, especially those who need us most, to reach their full potential as productive, caring, responsible citizens. We do this by providing safe spaces filled with opportunity, enriching programs, and caring adults who actively cultivate relationships to ensure that our youth feel connected, supported and valued. Our programs focus on academic success, character & leadership, health & wellbeing, and life & workforce readiness for youth ages 5 to 18.

## OUR CLUB KIDS

We have the privilege of serving more than 1,000 Park County youth each year. In 2025 we served 364 Registered Club members who participate in the programs at Club, and reached an additional 665 youth through community outreach. Support from our community allows us to provide 73% of our members with scholarships to cover the cost of participating in our programs. *No youth is ever turned away due to an inability to pay for services.*

## OUR LOCATIONS

The **South Park Club** in Fairplay first opened its doors in 2005, and is stand alone Club location. The **Platte Canyon Club** opened in 2009 and was located in Deer Creek Elementary but moved to the new Fitzsimmons Elementary School in 2025.
